I am directed to refer to your letter No.1155, dated the 23rd February 1911, and to say that the Secretary of State has informed the Government of India that the agreement with the United States Government has not yet been confirmed, and that the question is to be placed before the Senate at its next session, probably in April.

2. I am to ask that, if the Government of Bombay are informed of any claims against the United States Government, the names and addresses of claimants may be communicated, by telegraph, to the Government of India for the Secretary of State's information.
